# Heart health care in your community

# What is Mass General Brigham-Walgreens Community Care?

Mass General Brigham and Walgreens are collaborating to bring high-quality and convenient heart health care to select Walgreens stores near you. By bringing care to your neighborhood, we make it easy for you to check your blood pressure, access your medications and get the support you need to stay healthy.

## Why should I visit?

It's important to monitor heart health conditions like high blood pressure for overall health and to help prevent the development of more serious conditions or complications.

## Frequently asked questions

### **Who can visit Community Care locations?**

Everyone! We provide walk-in care focused on high blood pressure and bringing care to the community.

### **Can my Mass General Brigham doctor refer me to a Community Care location?**

Yes! Your doctor can refer you.

### **Do I need an appointment to be seen?**

No! Appointments are not necessary. We provide walk-in care Monday-Friday 4-6 p.m.

### **Where are we located?**

There are three select Walgreens locations:
