Facial Hair & N95 Fit Testing

MGB employees who require respiratory protection are expected to be **clean-shaven in the sealing area** prior to:

- Participating in N95 fit testing, and
- Using an N95 respirator.

Employees seeking a **medical or religious exemption to keep facial hair or have questions about eligibility and requirements for PAPR use, please visit our resource page: [RPP Medical & Religious Accommodation Request Information](#)*

Outside Fit Test Documentation

Mass General Brigham accepts N95 fit test documentation submitted through the **New Hire ServiceNow** portal from outside institutions **only if** the following criteria are met:

- The fit test was completed within the **past 9 months**, and
- The fit test was conducted using an **MGB-approved N95 model (see below)**.

3M 1860, 3M1860S, 3M1870+, Halyard Regular, Halyard Small, and Honeywell DC365N95HC

Documentation should be submitted using the New Hire Portal and **must include:**

- ***Employee name***
- ***Date of fit test***
- ***MGB-approved N95 model***

For questions or concerns please contact MGBRPP@mgb.org
