Mass General Brigham ACO members have access to free interpretation services. All Mass General Brigham employees and providers are responsible for telling patients about their right to free language assistance by an interpreter. Staff know how to request an interpreter from Interpreter Services. Interpreting services are provided via in-person, telephonic and video modalities. Over 250 languages are supported both through internal staff and vendors. Mass General Brigham complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, citizenship, alienage, religion, creed, sex, sexual orientation, gender identity, age, or disability.

Mass General Brigham ACO members have access to free interpretation services. All Mass General Brigham employees and providers are responsible for telling patients about their right to free language assistance by an interpreter. Staff know how to request an interpreter from Interpreter Services. Interpreting services are provided via in-person, telephonic and video modalities. Over 250 languages are supported both through internal staff and vendors. Mass General Brigham complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, citizenship, alienage, religion, creed, sex, sexual orientation, gender identity, age, or disability.
