

2024 GME - BWH N95 FIT TESTING (clean shave required)

NOW ACCEPTING FIT TEST DOCUMENTATION FROM PREVIOUS INSTITUTIONS!

Brigham & Women's Hospital is currently accepting fit test documentation from previous institutions if the fit test was completed **within a year**. Please see the list of N95 respirators the hospital provides to see if your previous fit test results are transferrable.

Include fit test documentation when sending your Occupational Health onboarding requirements to: BWHOccHealthResidentScreening@partners.org

BWH offers the following N95 models:

- ✓ [3M 1860](#)
- ✓ [3M 1860S](#)
- ✓ [3M 1870+](#)
- ✓ [Halyard "Duckbill" Regular and Small](#)

Please visit Vitals (linked below) for the most up-to-date information on N95 Fit Testing including postings for BWH Main Campus Clinics with dates, times, and location.

[BWH Respiratory Protection Program](#)

If you have questions or concerns, please email:

Jon Boyer, Director of Environmental Affairs, BWH
